Stated against:

Mr. BIGGS. Mr. Speaker, on rollcall No. 143 on H.R. 1065, I am not recorded because I had to return home to my district to attend the funeral of a close family friend. Had I been present, I would have voted "nay" on rollcall No. 143.

HONORING THE SERVICE OF
MICHAEL LONG

(Ms. PELOSI asked and was given permission to address the House for 1 minute.)

Ms. PELOSI. Mr. Speaker, it is with great pride and some emotion that I rise to honor an outstanding and long-standing member of my staff who has been a pillar of my office for nearly 15 years, my Senior Advisor and Director of Member Services, Michael Long.

To Members of Congress and all who work and serve in this Chamber, the name Michael Long is synonymous with excellence.

Michael is a coalition-builder and a communicator, a liaison and a leader with an extraordinary talent for forging enduring, effective connections, both within and outside the Capitol. I have watched him with great pride over the years as he welcomed young people to the Capitol, including the Boy Scouts, as an Eagle Scout himself, showing his leadership from early on, whether it is his communication with his many friends and admirers in the Congressional Black Caucus or with the Members across the Congress on both sides of the aisle.

We all know and are grateful for his unwavering patience and perseverance and his remarkable ability to anticipate and meet the needs of Members.

Michael comes from a family that is committed to the civil rights move-

ment. He has it in his DNA, although he is younger than the movement.

For this and other reasons, many of us were privileged that Michael came with us, under the leadership of KAREN BASS and the Congressional Black Caucus, to Ghana.

Mr. Whip, you were a leader in that delegation, and you know how moving it was.

But Michael brought, in his DNA, the spirit of his father, Isaac, who was watching down from Heaven and saw Michael be part of that historic trip. The whole time, he wore Isaac's cufflinks as Isaac looked down with pride, and his mother, Naomi, and sister, Veronica, looked on with love from here, taking great pride in Michael.

Mr. Whip, it is such an honor that you are in the Chair as I pay tribute to Michael, a real tribute to him and his work.

Michael has been a tremendous asset to the Speaker's Office and my leadership team over the years, and to the entire Democratic Caucus and the entire Congress, ensuring that we can deliver progress For the People.

He can take pride, as I do, in knowing the key role that he has played in our passing legislation to lift up working families across America. That happened because of his leadership.

While Michael's trusted presence on this floor and on Capitol Hill will be missed, we are grateful for his service, as well as for his work as a mentor and leader to forge a path for others to follow. Indeed, his tenure has been both historic and impactful.

On behalf of the House of Representatives, I thank Michael Long and wish him the best in the next stages of his journey.

With great admiration and appreciation, thank you, Michael Long.

LEGISLATIVE PROGRAM

(Mr. FERGUSON asked and was given permission to address the House for 1 minute.)

Mr. FERGUSON. Madam Speaker, I rise for the purpose of inquiring to the majority the schedule for the week to come.

I yield to the gentleman from California (Mr. AGUILAR), my friend and colleague, the vice chair of the Democratic Caucus.

Mr. AGUILAR. Madam Speaker, I thank the gentleman for yielding.

On Monday, the House will meet at 12 p.m. for morning-hour debate and 2 p.m. for legislative business, with votes expected no earlier than 6:30 p.m.

On Tuesday and Wednesday, the House will meet at 10 a.m. for morning-hour debate and 12 p.m. for legislative business.

On Thursday, the House will meet at 9 a.m. for legislative business, with last votes no later than 3 p.m.

We will consider several bills under suspension of the rules. A complete list of the suspension bills will be announced by the close of business today.

In addition, we will consider bills rejecting hate toward the Asian-American and Pacific Islander community, including S. 937, the Senate-passed COVID-19 Hate Crimes Act, which addresses the dramatic increase in hate crimes targeting the AAPI community since the start of the pandemic.

H. Res. 275, a resolution condemning the horrific shootings in Atlanta, Georgia, on March 16, 2021, and reaffirming the House of Representatives' commitment to combatting hate, bigotry, and violence against the AAPI community.

□ 1115

We will also consider H.R. 1629, the Fairness in Orphan Drug Exclusivity Act, which closes the loophole that blocks pharmaceutical competition and prevents innovative treatments for opioid use disorder from coming to market, and would help millions of Americans suffering from opioid addiction.

Next week, the House will also consider the Emergency Security Supplemental to Respond to January 6th Appropriations Act, 2021, which addresses enhanced security needs for the Capitol complex; and House Resolution 3233, the National Commission to Investigate the January 6 Attack on the United States Capitol Complex Act, which establishes a commission to investigate the insurrection at the Capitol on January 6.

This is bipartisan legislation. I want to thank Chairman THOMPSON and Ranking Member KATKO for their leadership in announcing this bill, and I hope that it will have broad bipartisan support next week.

Mr. FERGUSON. Madam Speaker, I want to thank the majority for those remarks on the schedule.

I also want to take a minute to thank the leader, and others over there, for helping pass H.R. 2877, the Behavioral Intervention Guidelines Act. It is a really good bill that will go a long way in supporting school safety. I know there were many questions about it, and everybody worked to get it to a good spot. I would like to, again, extend my appreciation for all of the help from my Democratic colleagues.

Turning to the operations of the House, as the gentleman knows, the CDC has now lifted all mask and social distancing requirements. President Biden has lifted the mask requirements for the White House staff. But, amazingly, here in the House of Representatives, we still must wear the mask, stagger the vote times, have these long vote times. We should be going back to a 5-minute and a 2-minute schedule so we can do the work of the House.

When can we expect these restrictions to be lifted?

Madam Speaker, I yield to the gentleman from California.

Mr. AGUILAR. Madam Speaker, I want to thank the gentleman for the question and for acknowledging the extraordinary success of the Biden-Harris administration in putting millions of shots in arms at a historic pace.
